FACEBOOK SILENT AUCTION
Brought to you
Compliments of Coronavirus!

Cancer has not stopped – and our patients still need our assistance. Due to the continued need to social distance and changes surrounding our event, we will be unable to have our “normal” silent auction.

Instead, we’ve decided to shake things up a bit and have a Facebook “virtual” silent auction!!

Please put your thinking caps on to come up with ideas of items to donate (as a team and as individuals). Spread the word – the more items – the more fun it will be! We’ve included a list of possible items – but make it your own!
